Skirmisher

1962

I will miss you this summer Jerry but I will see you again next year, so till then good luck and smooth sailing.

Jack Farrar

Good luck to a great guy.

Jim Biggers

Jerry
Have a good time and have a good summer and I'll see you next year - and you pal - and money lender.

JJJ Johnny Joseph Jenkins

Jerry,
Remember all the great times we had in MST I.
Best of luck in all your ele.
Roll Rule in summer.

Frank Brunetti

Jerry,
Best of luck in your future life. I sure hope you are successful in all that you may do.

Warren Covington

THIS BOOK BELONGS TO —

Cadet Sears, J. E.
"A" Company

Good Luck to Ye
Walter F. Lowe

Mike Sheridan

Best of luck to a
real cool guy
Red Fraund

Good luck in the future
"loose gears", I hope you have
a good time with "Haley"
this summer.

"Hutch"

"Well Jerry
It's the end of the
year and we are
about to leave.
Good Luck.

Dodd

"Jerry"
Lots of luck in your
travels this summer
It has been nice
knowing you and I
am looking forward
to seeing you next
year!

Rick

Best of luck
always. See you
next September.
Bill Hazelwood

To the best "coolie" I ever had.

Be good,

William D. Caudill

To a damned good guy, who takes rank
a little to seriously, but he's a good
kid anyhow. If I don't come back
next year, be a good N. C. O. next
year.

Woody Cohen

Best wishes,
work a little
harder and
someday you'll
make a good N.C.O.

KIRMISHER

PUBLISHED ANNUALLY BY THE CADET CORPS OF

Fork Union Military Academy, Fork Union Virginia

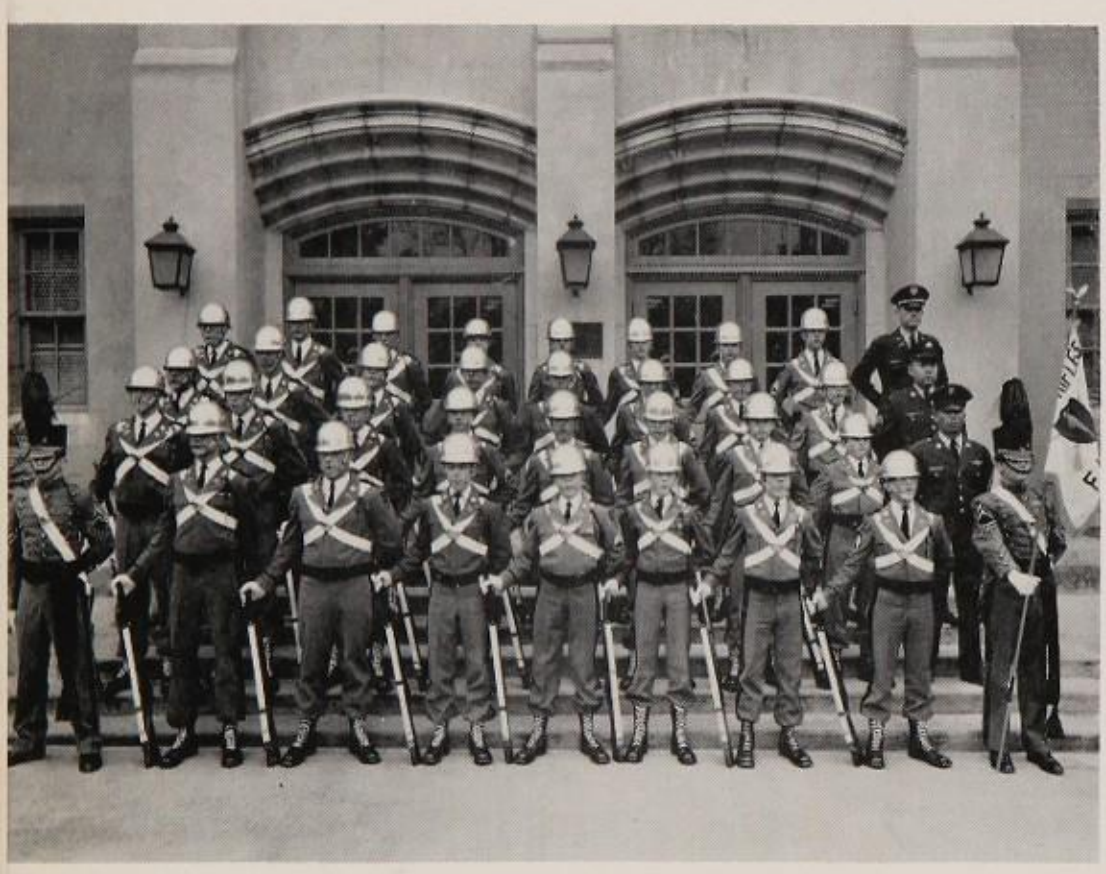
Editor

Edwin Lee Warfield Crooks

Co-Managing Editors

Willie Paul Haywood
Arthur Spalding Kidwell, Jr.

Foreword



The Skirmisher is the story of our lives as students. During the course of this year, we have had many enlightening experiences and a few disheartening one. But as we look back into the past, we see that this year at Fork Union has enriched our lives.

Our Annual is a part of us, when we turn the pages, many past experiences are envisioned in our minds. As we the Senior Class make our grand exit, we hope to be remembered by our underclass mates, who we hope, will follow in our footsteps. Leaving our school fills our hearts with sadness for the many friends we will leave behind, but will remember in years to come. Our minds are filled with excitement and question, because we are on our own.

In our annual we will try to weave the personalities of all the cadets into its pages. We will show their interests in sports, clubs, and other activities. We will lead you on a sight seeing tour of our school and grounds letting you peek into the inside, as well as the outside of the Academy. So to everyone who reads this epic in our lives, we hope that they enjoy it as much as we have enjoyed assembling it. To you, the class of 1962 bids welcome and a proud farewell.

Consider that I laboured not for myself only, but for all them that seek learning.
—The Apocrypha

In Memoriam

That wise and familiar face shown in a familiar pose, belongs to a man who served the Academy well from 1948 to 1961. It has pleased God to call him to the life of Greater Love and Service, our friend and instructor *Captain Stanley L. Kent.* We, the members of The Faculty, Cadet Corps, and The Administrative Staff of Fork Union Military Academy wish to record our appreciation of this faithful officer and teacher of the Academy, in which, he was a wise counselor, devoted instructor and a cordial friend to all who knew him. He gave himself sacrificially to the active duties of the Academy. His genial personality has been and will continue to be an inspiration to his many friends among the Corps of Cadets. We who have had the benefit of his teachings and guidance will long remember *"The Colonel"* for his kindness, help, and advice. So it is with fond memories that the 1962 *Skirmisher* is dedicated to *Captain Stanley L. Kent* who served us and the Academy well.

"To live in hearts we leave behind is not to die."

Dedication

CAPTAIN HERBERT F. REICHENBACH

We, the Senior Class, would like to express our deep appreciation to a member of the faculty who has devoted 25 years to Fork Union, as a teacher, member of the tactical staff, and most of all as a friend, by dedicating the 1961-62 Skirmisher to him.

In addition to his regular duties in the classroom, it has been Captain Reichenbach's responsibilty to prepare the Skirmisher for printing and act as advisor to the Senior Class. His pleasing personality and sense of humor have made cadet life more enjoyable for everyone. He has worked hard and put in long hours after most of us have called it a day.

As freshmen, some of us knew him as a firm mentor of mathematics. Here his interest lay in giving us the proper foundation we would need to carry us into the higher realms of study. As we grew and our own maturity deepened, we saw in him the sagacity and true warmth that is lacking in the character of lesser men. Here then, was someone we could seek counsel, respect his advice and admonitions, and long remember after our life at the Academy is brought to a close.

Although these pictures and these few words cannot adequately express our true feelings toward him, as we, the members of the Senior Class go forth to other pursuits, we shall always remember Captain "Rick" as a friend and valued instructor, as have cadets in years past—and as they will in years to come.

Captain "Rick" had no idea this year's Skirmisher was to be dedicated to him. It has been a well guarded secret and not an easy one to keep, since he is Faculty Advisor to this publication. With the cooperation of the Skirmisher Staff, Senior Class, Mr. McClung of André Studio, who had a most difficult time obtaining these pictures, and Mr. Silvers of the Garamond Press, this was made possible.

Administrative Staff and Faculty

The Senior class will always be indebted to the faculty, for they have been the guiding light to maturity as well as to knowlelge. They have tried to instill into our minds the basic information that we will need in future life. We will always be thankful to our many instructors who have so adequately paved the narrow and select road to higher learning, for through their patience and skill, they have aroused in us the ability to

Colonel Waldron and *Colonel* Crockett have many callers in their offices in Hatcher Hall each day of the school year.

think and reason with the facts, that, they have given us to work with. We will never be able to repay them for the gift that they have given us. The knowledge that we have received through their ability and understanding.

He removes the greatest ornament of friendship, who takes away from it respect.

—Cicero

Colonel Henderson *(Commandant)* and *Captain* Spradlin *(Chaplain)* also have many callers during the school year.

Senior Class

As another school year comes to a close, our thoughts will inevitably turn to the events of this past year. We the Senior Class of 1962 hope the record, in pictures and in words, which the *Skirmisher* provides, will be welcome by one and all. For each will recall individual experiences, memories of happy occasions and some perhaps less happy, which are their unique heritage. The accomplishments and even the failures will be indelibly written in the hearts of each Fork Union cadet, but in years to come the record set forth in the *Skirmisher* will make them come alive again, as we of tomorrow review the activities of the school year. 1961-'62. As you enjoy the present, perhaps you could surely guarantee an even greater enjoyment in the future, if you would strive to make all of today's activities something to be proud to look back upon tomorrow.

The very spring and root of honesty and virtue lie in the felicity of lighting on good education.

—Goodwin

The Circle and Hatcher Hall▶

Senior Class History

1958—"MST 1"—1959

Our first day at the Academy was rushed and hurried. This was a sample of what we were to expect for the next nine months. We had no idea of what we were doing or where we were going. We were lost. We then slowly started the arduous task of learning, not only from our books and faculty, but from our friends and most of all our experiences. A lot of us were homesick but there were some who did not have time to be homesick. The members of the freshmen class were known as first year men and called "mister." Besides being rushed all the time we were worked all the time waxing, sweeping and washing windows. As first yearmen we were unaccustomed to the sound of bugles all day, especially at six-thirty in the morning. Our teachers tried to impress upon us the importance of doing our best and making good grades, but in that early stage of education it didn't make much sense to us. We did not know that all of the things we learned at the Academy, both in the classroom and in the barracks would make a lasting impression on us. This was a very hard year for us, both mentally and physically but we were looking forward to our sophomore year.

1959—"MST 2"—1960

After loafiing all summer, it was hard to believe that we would have to buckle down to the strenuous task before us. When we came back we found that we were saddled with more responsibility than we had our first year due to an increase in our rank for some of us. As second yearmen we were looked upon as buddies by the upper classmen, who relied on us more and we took part in more of the campus activities. As sophomores we found it hard to build up our averages due to the many new activities in which we were participating. Our second year at the Academy was much easier than our first, because we learned many ways of getting out of many things. For a change our names were on the opposite side of the stick sheet. The new guys were always coming to us with their problems because we knew how they felt. Some of us could hardly wait till our third year when we would be known as third yearmen and we would become officers if we were lucky.

1960—"MST 3"—1961

During our third year we started thinking about college and wondering if we could get in with the averages most of us had! Our studies started getting harder and more important, than the other activities around the campus. A few of the boys in our class were officers and were looking forward to the rank they will get in there next year at the Academy. They have a lot of responsibilities and are expected to set the example for the first and second yearmen. Most of us have stopped trying to get browny points with the seniors. We had it pretty rough in the military class with map reading and the 81 mm Mortar, but we finally got through with a good grade. With the closing of our Junior year we were looking forward to our fourth and last year at F.U.M.A. and that little piece of paper saying we were graduating from High School. Now on to the last and best year—Seniors!

1961—"MST 4"—1962

As we return to our last year at F.U.M.A. we look back on all of our experiences both good and bad, we finally see what our instructors meant when they told us we would have to work hard and get a good average if we wanted to get into college. A number of us were wise and took the good advice and got a very high average but a lot didn't and now are worried about getting into even a small college. We have met and become very good friends with many boys in our four years at the Academy. It will be very hard to forget many of them whom we have known for all four years. We will remember a lot of the faculty officers, because of the help that they have given us. We can remember wanting to be seniors and leading the Cadet Corps in rank and seniority. So, finally, we are fourth yearmen and are proud to be called seniors. We are all in the final stretch to graduation and getting the diploma that we have waited four years to receive. Every senior is going his separate way to face life and use some of the things that they have learned at F.U.M.A. We will always remember our ALMA MATER.

Military

As one of the honor schools of the United States, Fork Union Military Academy can boast of its fine military staff. These men have been selected for one of the most important jobs of our modern army—teaching and training young men to become the leaders of tomorrow. Through their training and teaching, we have learned not only military knowledge but also self discipline, which is important anywhere in life. We are thankful to the Military Department for the unceasing dedication to their work, and for the lessons they have taught us.

They that can give up esesntial liberty to obtain a little temporary safety deserve neither liberty nor safety. —FRANKLIN

God grants liberty only to those who love it, and are always ready to guard and defend it.

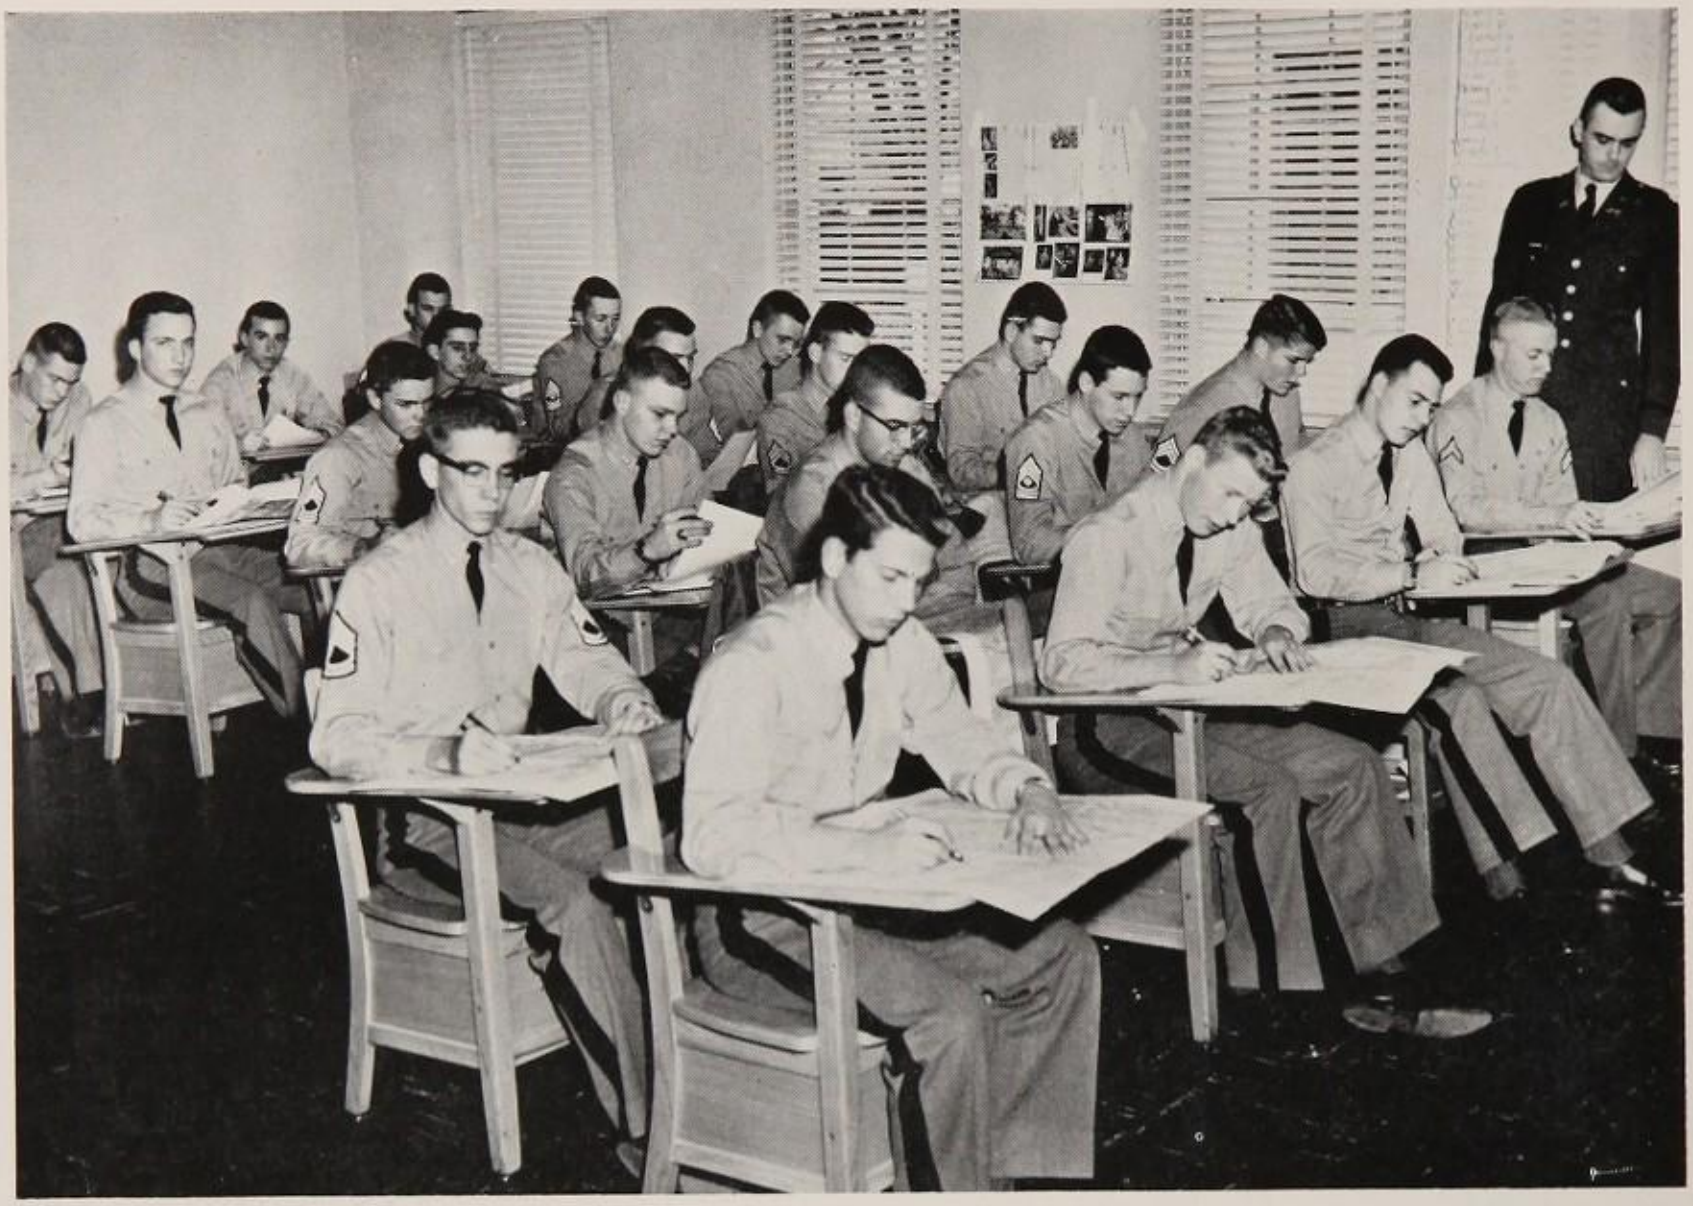
MST I

The first year of Military, known as MST 1 (Military Schools Training), is required of all cadets entering Fork Union who have had no prior military schooling, provided they meet the eligibility requirements. *Captain George V. Ellis, Staff Sergeant Darel P. Spencer, and Sergeant Bobby E. Granthum* serve as instructors. The first-year cadet quickly adjusts to a military life; finds for himself a place in the corps, and if he applies himself, becomes a Private First Class or higher by mid-year. Military subjects included in MST 1 are: individual equipment, courtesies, customs, hygiene, first aid, weapons, atomic warfare, marksmanship, and tactics. The year of instruction is climaxed by a "Government Inspection" held early in the spring of each school year.

MST II

MST 2 (Military Schools Training) is taught by *Master Sergeant Jack T. Hollifield and Master Sergeant Irvine O. Goodwin.* The MST 2 course is more detailed in the application of principles and techniques and emphasizes "Learning by Doing". In this year of military instruction the cadet learns to operate US Army field radios and telephones in Communications; he receives classes in Achievements and Traditions of the US Army taught by MST 4 Cadets. He also studies weapons—the machine gun and rocket launcher —marksmanship and tactics. The cadets who take this course are in line for key non-commissioned officer positions within the Corps. They work very hard in order to earn for themselves a place of importance in campus life.



MST III

MST 3 is conducted under the leadership and guidance of *Captain Robert G. Watson.* Using the foundation established in military science during MST 1 and MST 2 the cadet continues more advanced training during MST 3. He receives principles of leadership, map reading and compass, 106mm Recoilless Rifle, 81mm Mortar, a resume of supporting weapons, new developments in the army, small unit tactics (squad, platoon and company) and rifle marksmanship, at which time the cadet zeros his rifle and fires it for the record in the prone, sitting, kneeling, and standing positions. In addition to the above subjects the MST 3 cadet also participates in subjects presented to all MST classes, such as drill and command, ceremonies and inspections. Based on experience, MST training and leadership ability, most MST 3 cadets hold non-commissioned officer rank within the Corps. A few of the most outstanding cadets are Commissioned Officers. The cadet, after finishing this course is able to effectively command a platoon or company in the Cadet Corps.

MST IV

MST 4 is the senior class of military instruction presented at Fork Union Military Academy, and its enrollment consist of fourth-year cadets that have completed MST 1 through 3. *Captain George V. Ellis*, Professor of Military Science, is the instructor for this course. The subjects presented in this year of military training are an extension of what has been taught in preceding years, such as marksmanship and map reading. In addition, a course in military teaching methods is conducted which prepares the cadet to give classroom instruction. Upon completion of formal instruction, each cadet prepares a lesson plan, based on material to be presented to MST 1 and MST 2 cadets, rehearses it many times and gives the instruction to the MST 1 or MST 2 cadets. This presentation of instruction by the cadets is one of the high points of the year and is well received by the first and second-year students. Successful completion of the four years of military instruction presented at this academy entitles graduating cadets to consideration for appointment credits in the advanced course of the Reserve Officers Training Corps of the college, where application is made.

Organizations

In everyone's life there must be a time for relaxation or enjoyment of a pastime. Here at Fork Union we are fortunate to have many excellent organizations which help to broaden our knowledge of the world around us and also act as a break in the everyday routine. Almost all of us have some connection with at least one of the clubs in which perspective of thought is greatly increased. It makes little difference what a cadet's hobbies or interests are, there is an activity here to increase his learning on the subject. We are thankful for the hard working faculty advisors who have given of their free time to the promotion and organization of the various clubs. Our clubs this year dealt with such topics as religion, speech, guidance, and journalism, just to name a few. These clubs helped not only our knowledge but also our leadership qualities for many of us held club offices which gave us the experience which will help us in future years. Now as we look back on the years at FUMA we find our most enjoyable times were spent in the various school activities.

Quill and Scroll

Quill and Scroll, the International Honorary Society for High School Journalists, was organized April 10, 1926, by a group of High School Advisers for the purpose of encouraging and rewarding individual achievement in journalism and allied fields. The Society has always taken an active part in raising the standards in its field and in directing the course of High School Journalism. According to the Constitution, members of the Quill and Scroll must be chosen from the students enrolled in high school who at the time of their election meet the following requirements:

The Sabre Staff

(1) They must be of at least junior standing. (2) They must be in the upper third of their class in general scholastic standing at the time of their election. (3) They must have done superior work in some phase of journalistic or creative endeavor. (4) They must be approved by the adviser or the committee governing publications. (5) They must be approved by the executive secretary. The Fork Union Chapter of Quill and Scroll was organized during the school year of 1946 and 1947. The Quill and Scroll is one of the two international organizations of the Academy.

JOHN HERBERT PELL
President

This Society is the older of the two literary societies on the campus, being founded in 1908. In 1911 it was divided into two societies, the other branch becoming the Athenians. The main purpose of the society is to develop in its members better speaking ability. These aims are accomplished by stressing the importance of speech, debating, reading declamations, and orations through actual participation in oratorical programs. The members are enabled to learn to speak and think clearly while addressing the audience. The work that has been done throughout the session is climaxed with a final debate, which is included in the commencement program. The members on the two societies battle each other verbally, each striving to gain possession of the Gold Cup which passes to the society which has shown the better work in debating. Those who have done exceptional work in orations, reading, and declamations are also awarded medals. Some of the achievements of our successful year were inter-society debates, debates among our members, and various other contests among our group.

The Athenian Literary Society, throughout its 51st year, has been an organization striving for the advancement of speaking ability. Techniques have been explored, speech characteristics studied and developed in weekly meetings, and topics of interest to the entire group discussed. We have heard from firsthand accounts of trips abroad and of striking events. We listened to the readings of favorite poems and great speeches and we had some oratory we felt was good. Yet, perhaps, the most singularly interesting activity was debating, and we all put a lot of work into it. We hope there will be as many good times and profitable experiences for the Society throughout its life time.

President

The Flying Club of the Academy is a unit of young men interested in the field of aeronautics. The objectives of the Club are to stimulate civilian interest in the future development of our air power. Cadets are introduced to the fundamentals of aviation, communication, aerodynamics, and related subjects. There are very few men who are able to work in this field of aeronautics because there are so few such organizations. A large number of cadets have shown considerable ability in their field of interest. The cadets are allowed to follow their own line of interest in this club in order to allow a development in the field of aeronautics that might prove to be a lifelong hobby and also turn out to be profitable in later years. The Club makes sincere efforts to give its members an appreciation of aeronautics and what it means to our country. The Club meets each Wednesday evening at seven. We feel that the Flying Club provides a very suitable extra-curricular activity in the Academy program. The entire Club wants to thank *Colonel* John Ayrault for his time and help devoted to the Club this year.

The Fork Union Chapter of the National Honor Society is made up of twenty-one seniors and fifteen juniors who are elected to membership on the basis of superiority in scholarship, service, leadership, and character. The National Honor Society is comparable to Phi Beta Kappa of college level. Its purposes are to create an enthusiasm for scholarship, to promote worthy leadership, to stimulate a desire to render service, and to encourage the development of character. In addition to the cadets listed above, the Fork Union Chapter includes also a chapter council consisting of five members of the administration and Faculty: Colonel H. M. Waldron, Majors J. R. Wildman, and H. R. Kelly, and Captains H. F. Reichenbach and J. M. Hunt. Senior and juniors are recommended for membership by the cadet officers of the chapter and elected by the chapter Council. The chapter holds regular meetings.

The Science Club is composed of cadets who are interested in scientific and releated subjects. Our club, through experiments and discussions, tries to give its members opportunities to see, understand, and appreciate better that which exists in our world and surroundings with which we are not familiar or which we casually take for granted. The club desires to keep alive and help the interest of Cadets who seek knowledge in a scientific world. We are proud to have a small part in this age of Science and to feel that we have attempted to keep abreast of developments in the scientific world in which we are now living.

The Junior Classical League is a national organization composed of local classical clubs in junior and senior high schools. 1961—'62 marks the second year of the Fork Union Chapter. Presently there are seventy-five thousand members with the Fork Union Chapter contributing twenty-six to this number. The Junior Classical League is the lagrest and fastest growing classical organization in the world today. Completion of or participation in the Latin courses offered at each local school is the only requirement for membership. Once a student is admitted to the local club, he automatically becomes a member of the national organization and receives his pin and membership card. The highlights of the club's activities is the "Latin Week" celebrated in April. During this week the club offers a display in the library, participation in a chapel program, and generally advertises the merits of Latin and Roman civilization to the members of the corps. Also during the month of April the club sponsors selected members in the state wide Latin examination. At Commencement the club presents a Latin award key to the member who has shown the highest academic excellence in Latin and who had made the greatest contribution to the activities of the club. The fundamental purpose of the Junior Classical League is to encourage among young people an interest in and appreciation of the civilization, language, literature and art of ancient Greece and Rome, and to give them some understanding of the debt of our own culture to that of Classical antiquity.

Cadet Christian Union

Pell, J. H.
Vice-President

Brown, J. M.
Secretary and Treasurer

Captain Landon B. Spradlin

Captain Robert K. Spencer

TYLER LAWRENCE HATCHELL, III
President

The Cadet Christian Union is an organization designed to serve as practical and useful outlet through which a wholesome Christian endeavor may be expressed on our Campus. It seeks to accomplish this in part by serving as a link between the cadets and the local churches. The organization meets each Wednesday evening at six-thirty. The C.C.U. is active in many leading southern colleges, and it serves as the medium by which inter-college religious activities are made accessible to our students. During its twelfth year as an active club at the Academy, the C.C.U. is under the joint direction of *Captain* R. K. Spencer and our *Chaplain Captain* L. B. Spradlin.

Best of luck

The Officers' Club is composed of all sabre—rating cadets in the Corps. The Corps of Cadets is organized into a Battle Group with the Lieutenant Colonel as Battle Group Commander. Each cadet officer has a definite assignment in his respective unit and is responsible for military proficiency, as well as the conduct of all those cadets assigned to his unit. This year the Officers' Club has as faculty adviser *Colonel* C. B. Henderson, who is the Commandant of the Corps of Cadets. He has aided the club a great deal by his supervision and direction.

The Sports Club is in its eleventh year under the direction of Captain Catlett. The Club is one of the most popular extra-curricular activities at the Academy. The Club offers entertainment and instruction in the form of movies which always are enjoyed by all. Movies of baseball, football, and basketball are the most popular, but included also are minor sports like hockey, tennis, swimming, and also auto racing. These films shown to Cadets are of the top performance and excellent instruction by the great men and women of yesterday and today. Our hopes are that the Club will continue to carry on in the future as it has in the past.

The Fork Union Military Academy Glee Club is composed of the members of the corps who love to sing. Numbering forty members, it builds its programs from the finest musical literature, both secular and religious. The Glee Club presents a number of concerts throughout the year, both at the Academy and out of town. It is hoped that the experience gained here will stay with these men for many years to come, and that the spirit of song will remain in their hearts.

The Dramatic Club is composed not only of aspiring thespians, but of many cadets who desire to know more about the stage for the sake of better appreciation of this art. Through discussions, demonstrations, and workshops members are given experience in the many and varied phases of dramatics with emphasis upon casting, rehearsing, costuming and make-up, lighting, and providing for the necessary props and background. Some effort is directed to the study and production of short plays, and at other times important phases of modes of expression before an audience are studied and expressed. The shows which are produced develop an appreciation of all that goes into the production of a show and provide first-hand information about that which is good in the art of the stage. The first production of the current year, "A Christmas Package," which involved the corporate efforts of over a hundred persons, was well received and acclaimed as a success in the field of variety entertainment. For those who love the stage, the work involved becomes not arduous but exciting and rewarding.

Our Cadet N.C.O.'s are composed of all Non-Coms other than those who are sabre-rating. Each has a definite assignment in his respective unit; therefore his responsibilities are many. We are very proud of the high standard which has been maintained during the school year. Actually this group of cadets are the real backbone of our corps. Our N.C.O. group have been well trained by our R.O.T.C. Officers. The Cooperation and spirit of the N.C.O.'s have remained the same throughout the entire year.

Of course, when necessary, certain changes have been made; as an N.C.O. you have a right to be proud to have been a part of our fine corps. As your advisers we are happy to have been connected with such a fine group of cadets. Long may each of you live with all the good things in life—*Captain* Pulliam—and *Captain* Ross.

ROBERT HAROLD LONG
President

The Music Appreciation Club here at Fork Union is composed of cadets interested in a common theme-Music. These cadets are not interested so much in the listening quality of the music, but rather in the finer points, using the old masters as a comparative standard of criticism and appreciation. The location of the composition of the music studied ranges throughout the world, taking into consideration the fine music of all nations. The wide range was decided on because of the differences in the people in their environments. The background of the people in their environment, their spiritual beliefs, hopes and joys are what make music what it is today. The study of music is not entirely devoted to classical music but also takes into consideration folk songs and the ultra-modern contemporary styles. Although so much of our modern music is here today and gone tomorrow, it expresses the feeling of modern people, influenced by today's human tragedies and joys the world over.

The Cuidance Club makes available to its members and the Cadet Corps for guidance purposes educational, and social information. The objectives in presenting educational information are these: understanding, the requirements for admission to the college which interest the cadets, discovering the availability of special training opportunities and the availability of scholarships for college, and developing good study habits. The presentation of occupational information has these objectives: to study the general areas of work and to study specific vocational and professional fields, to develop tentative plans for vocational or professional preparation upon graduating from F.U.M.A., and learn to locate and use reliable sources of occupational information. The objectives in presenting social information are as follows: to aid the members in achieving a better understanding of themselves and a more mature relation with other people, to become more adept in the social graces, to appreciate the wise use of leisure time, to gain a better understanding of civic responsibility, and to foster the continued growth of ethical standards by which to judge personal conduct. The Club seeks to accomplish these objectives by using films, by members independently studying available materials, by having group discussion led by members of the Club, by the sponsor and other staff members, and by encouraging private conferences with the sponsor and other staff members. The Guidance Club has accumulated a considerable amount of materials related to the above objectives. These materials have been placed in the Retan Library and are available to all cadets as well as members of the Club.

In its third year the Hobby Club continued with the purpose of enabling the members to pursue their favorite hobby or interest and share it with others, learn about other hobbies, and gain experience in self-expression. Within the structural organization of the club are four general divisions encompassing the various hobbies and interests represented: Automotive and Engineering, Models and Collections, Electronics, and Miscellaneous. Each of these divisions has a general chairman who with the club's officers supervised the programs presented at each meeting. A typical program consisted of the call to order, a devotional led by the chaplain, introduction of the program by a member of the club or a guest, business, and adjournment. A new feature of the club this year consisted of travel films and talks by guest speakers to stimulate interest in people, places, and customs, throughout the world. Activities sponsored by the club included a traveling photo salon and a display of hobbies participated in by interested members of the cadet corps.

This has been a successful year in the history of the Fork Union Military Academy rifle team. The 1961-'62 rifle team has a firing schedule of 24 matches. Of these, 6 are matches where each team fires on its own range and mails the results to its opponent. Therefore, they are called Postal Matches. At the time of this writing there is one postal and six shoulder to shoulder matches to be fired. Even with the loss of last years top shooters the team has maintained a high average. The Rifle Team is the only varsity sport at the Academy that participates throughout the entire school year.

Membership in the Retan Rifles, the elite marching organization of the Cadet Corps, is open to all cadets who show an interest and proficiency in drill. A distinctive shoulder patch, shoulder cord, and the U.S. Army '03 rifle readily identifies a cadet as a member of the Retan Rifles. During this school year the Retan Rifles participated in the Tobacco Festival Parade in Richmond, the Dogwood Festival Parade in Charlottesville, the Apple Blossom Festival in Winchester, Virginia, provided half time activities for home football games, and presented an exhibition drill for the annual Government Inspection Team. This year the platoon is commanded by *Cadet Master Sergeant* Michael G. Mais and has been sponsored by the United States Army ROTC Detachment.

Last Will and Testament of Senior Class 1962

Established by tradition, the Last Will and Testament of the graduating class is a document of great value and unequalled influence in the lives of the members of the Junior Class. Be it known by these present that we, the members of the graduating class of 1962, who are to be known herein and hereafter as the testatrices, in our sane minds and with full emotional control of our facilities, do bequeath the following items and qualities of our estate to persons who shall hereafter and herein be known as the legatees, as they have shown as express desire in receiving them or have demonstrated a deficiency which an undersigned testator hopes to remedy by his generous gifts. These items of inheritance, none withstanding, have proved during the past four years to be of unsurpassed value in accelerating the undersigned testatrices to their present positions of omnipotence. Legatees will receive their inheritance after the final meeting of the Senior Class at high noon on Wednesday, May 30th, in the year of our Lord 1962. Th various properties bequeathed herein are guaranteed by the dusty annals of tradition and are deemed irrevocable for all time.

In accordance with the rules set down in indelible ink in this testament, *Edwin Lee Crooks* leaves the black loafers he received from Dick Aldridge last year to Eddie Aldridge so the tradition within a tradition will not be broken.

The ghost of the Band, *James Hagee*, gives with a sigh of relief his assorted collection of nightmares and hobgoblins to an educated ghoul, Bill Jarrett. At this time it is pure speculation, but the word is out that *Lenny Alcorn* will leave his copy of *Mother Goose's Nursery Rhymes* to S. D. Levingston, if he can break away from it. *Harry Rehrig* would like to bequeath his Honor Platoon Badge and Distinguished Service Medal to the pride of the Retan Rifles, Mike Mais. *Richard Colucci* leaves his crewcut to J. J. O'Brien. The D. I. of the Band, *Al Christine*, leaves his command voice to John Taylor, in an attempt to improve the quality of the Band's facing movements, while *Lloyd Grant* wills his miraculous physique and modesty to M. Kelly. On departing for perhaps the hundredth time, *Al Bennett* expressed a desire to leave his AWOL bag and a map of Charlottesville to anyone who would like to work for Coca Cola, Inc.

In the past months, several books of excellent merit have been authored and edited by some of the more distinguished members of the senior society. Since these books have been limited to the first edition, the copies willed are autographed and uncensored. *Jay Walsh* wants to insure that his edition of *Success in Thirteen Easy Steps* to J. C. Botch, and *Lee Lester* leaves his cherished book of synonyms to N. J. Hose. *Red Ryder* leaves his up-to-date version of *The Officer's Manual* to Don Mutersbaugh, with expressions of hope that he makes the same good use of it Red did! *Willie Paul Haywood* wanted to leave a copy of *Command Decisions* to Randy Eller, but Captain Ellis wanted it back.

Be it known to all who read this testament that it is duly recorded that *Big Nick* wants his beloved record Small Sad Sam and his black shoe polish cloth left to the next chief apple polisher. *Jim Price* decided to bequeath his seat in Bible II to J. G. Tuohy, who has expressed a desire to return a day early in September to claim his legacy; while *Bob Walter Weise* would like to give his place in the physics lab and his pillow to A. T. Fraune.

As duly and legally recorded in this document, *Danny Walser* bequeaths an ace of spades to anyone with fifty-one cards and some poker chips. With the sign of the rising sun, be it known that *Buddy Hatchell* leaves his lamp and toothbrush to R. G. Mendoza.

As each year passes, many a scholarship duties are given over to lucky Juniors to give them a chance to manifest their abilities. In accordance with these hopes, *Arthur Kidwell* wills his big pockets and office in the Sports Shop to John Richard Rice, and *Robert Dean Wilson* leaves an eraser, half the pencil that he was issued, and an automatic change counter to the next clerk in the Thrift Shop. *George Cherry* leaves all the special abilities he cultivated in the Slop Shop to another distinguished member of the Dirty Thirty, O. L. Gilbert. *Bob Scales* would like to return the keys to the Armory and an oil soaked rag to the Sarge.

John Pell, orator and declaimer supreme, would like to contribute his disserta-

tion on *Forgive* and *Forget* to the next president of the C.C.U. *Tom Burke* would like to make a contribution to science by leaving his teeth to the study of orthodontistry. Consoled that he would be able to take most of his musical ability with him, *Bill Cowherd* is breaking all bounds of generosity by leaving his wicked beat and a broken drumstick to audiences of the 1962-63 concerts.

Whirling around to the more ecclesiastical testarices in this testament, it is hereby attested that *Mike Ciminella* is highly desirous of leaving his engraved National Honor Society president's gavel to F. R. Helms, and *Tom Simmonite* predicts that R. S. Pickens would greatly appreciate his college board scores! With academic advancement on his mind, *Clifford Clayton Gates* leaves his 360 degree vision and a middle seat in literature to someone who wants to make a high grade. *Joe Willis*, Champ of the Courts, leaves his abilities to shag tennis balls and trip over the net to Jim Burris.

Several cadets have outdone themselves to leave something of great value in attestation of their generosity and to keep alive their memories in the minds of all the Junior Class. It is with such express desires that *Joe Holland* leaves a pre-paid Vic Tanny scholarship to R. M. Ellis, and *Charlie Sizer* wishes that good use be made of his weightroom scholarship by J. R. Jenkins.

John Edward Tefft leaves his pamphlet on *How to Make Snow* to Jack Bridgforth so he will have a guide for the summer. It is understood that *Tom Metcalfe's* ability to ask questions will be leased out for one year to E. J. Dorsk.

It has been the custom for uncounted years for the head-waiter to leave his title of *Pop Folke's Favorite Son* to a rising member of the detail, but again tradition is overshadowed by usefulness and our own *Ted Korab* wills his social life to the next Battle Group Commander.

To insure the continuation of fun and frolic created around M-100 this past year, *Steve Schwartz* would like to bequeath his imitations and his stuffed monkey to E. I. Smith. After June 1, *Vernon Haywood* will relinquish his January 26 leaveship to anyone with a frame.

Harry Ingle, guardian of the Frogmen Society, wills his SCUBA tank and stop watch to the next manager of the fins and flippers team. With the final months in such a rush, *William Waterfield* has been caught off-guard, so he wills his tube of Acnomel, and a dirty sock to Speedball Cox. After eight weeks of thoughtful contemplation and peaceful dozing in solid and trigonometry, *Bob Wells* would wish his 1-1 seat in Captain Hunt's class reserved for F. J. Stoeckle. Another typical thoughtful thinker of the triangle will sell his trigonometry book at a cut-rate price to M. W. Jackson.

Bocon Robbins, after a cold night on the road, relinquishes his ability to *miss the bus* to T. M. Snow, and hopes that he enjoys a long hike. With the memories of a cold winter behind him, *Julie Gordon* leaves his Golden Gloves to a member of the Junior Class to keep his hands warm next winter. *Sammy Van Scoy* leaves a bow and arrow and a suit of lincoln green to L. W. McCullen.

Our own pounder of the cinder track *Rebel Sykes*, wills all the cinders in the track to anyone who wants an A in Captain Lacy's literature. *Bill Hume*, who has shaken hands with the Maharajah several times, leaves his Indian black market relics to M. W. Frey. *Hal Flood* the *Have-Tank - Will* dive man, wills his waterwings to J. R. Brey. *Jim Crockett*, who has worn out several pairs of soles, deems it appropriate to bequeath his morning tours to Benny. *Little Elwood Braunbeck*, alias Bootsie, leaves his high-paying job in the infirmary to J. T. Lyons. Out of pure generosity *Bill Kennedy* will send mimeographed copies of the Bible II exams to any Junior who applies for them after graduation. *Dick Perreault* would like to leave his autographed copy of *So You Want To Lead The Band* to R. M. Wroldsen. Since the general rule of the day is to be extravagant, *Bob Long* did not want to be left out, and he is graciously leaving his track shoes, bent spikes and all, to P. P. G. *Wendell Lyon* has been searching all year for his typewriter and will give it to anyone who can find it. With a feeling of sacred trust *Troy Turner* leaves his Rod Benders T-Shirt to D. C. Bunge. It is rumored that *Mike O'Brien* is leaving. Good. *Wild Bill Oglesby*, for all his energy, has managed to leave his draft registration, to G. W. Watson. After slicing up various officers for nine months, *Richard Sullivan* has finally had a change of heart and

a pang of conscience, so he is leaving his cuts behind and will turn over a new leaf next year. *Carl Longley* is leaving his gold embroidered etiquette book to posterity. *Big Pete Batten* is turning over his honor platoon to W. A. Lindsey, while *Lee Mark* leaves all the third class mail to J. W. Munday. *John Reuben Johnson* would like to see his tight-fitting blue bermudas left to T. B. Groff, complete with needle and thread. *Gail Jasper*, for all of his letters home, gives A. A. Slaymaker his portable post office. To anyone with a broken racket, *Peter John Hanna* will leave one dead tennis ball.

Wayne Myers leaves his radio equipment to Smiling S, and *Chip Dale* leaves a sense of humor to Captain King George. *Clayton Boggs* will be glad to bequeath a set of captain pins and a good-luck charm to Corporal W. M. Bragg. To keep everything in the family, *Franklin Thigpen* is allowing some of his good looks to be given to T. K. McOwen, and *Howard Osman* leaves his vanishing cream to J. L. White for maintenance purposes. After practicing for nine months *John Warwick Canada* has finally perfected his abilities and can leave his knack of being late to formation to his roommate Phil Clement. *Curt Maunder*, widely known for performances in the line of duty wills his O.D. scholarship to M. D. Ford. Major Kelly's star French student, *Ron Trivette*, according to his testament, deems that his marked and mutilated French book should be given to T. P. Cyr. *Tally Cook*, manager of the fins and flippers team is leaving his will to win to his roommate R. L. Houston. In indelible ink also goes the testament of *Demosthenes Nicholas Georganas*, short for *Demos* leaves his stiff neck, and the limp, lame, and lazy goldbrick squad to the next Battle Group coolie. *Donald Paul Taylor* is putting his six stripes in a frame and will hang it outside the gym for all the Juniors to see after commencement exercises.

John Willis Bray, known around campus for his roommate, leaves a sixteen pound shot and a coupon worth thirty cents on a sixty foot tape measure to K. H. Hudson. As stated in these testaments, be it known that *Craig Monson Koehler*, leaves one healthy roommate to anyone in the Junior Class that thinks they could take him for a year; otherwise he will be left to the study of zoology. *Rusty Steele* leaves his pink champagne bottle to E. D. Dove for a canteen, and *William George Hueston* leaves his ability to throw unusual parties in the right places to E. A. Vivas, *Wayne Galbraith* has decided that D. M. Moye should benefit from his shoebox of brownie points. *Mason Rodwell Howell*, barber deluxe, is leaving his rusty razor to the privates of A-company in the Junior Class, and *Wayne Pase* leaves a dust mop to S. B. Cappon.

Elmer Stuart Outten, with all religious preferences set aside, leaves his open-mindedness to C. G. Robinette. *Samuel Jay Mills*, the member of the family seen on the football field in the fall, leaves his football jersey to D. T. Kay. *Woodson Alexander Sadler*, wills the mansion on the hill to C. A. Riccio. *John Robert Brinkhous* leaves his comb, soap, toothpaste, and hair tonic to the Junior Class so they won't have to borrow it from him any more. *Alvis Lawrence Oldham* has nothing to leave to the Juniors, or anybody else for that matter, so he wishes that everybody has a good time next year.

Donald Peter Lando leaves his spit-shined floor to the post-graduates, while a man well versed in his subject, *Paul Lee*, leaves his ability to look around in ranks and not get caught. *Don Meyers*, is also leaving and wills his soft red shoe to the next Gold Brick. The executors of this last will and testament regret to mention that several seniors were affected strangely when asked what they would like to leave as a legacy! *Robert Lewis Berberich* could only mutter *Senior* with a blank expression on his face. There were no permanent injuries, we are happy to report.

The properties mentioned in this last will and testament are reaffirmed as to their value and all legatees may be assured of the existence of such qualities as were bequeathed by the astute members of the graduating class at one time or another. These items have added greatly to the testatrices wisdom and have provided great enjoyment at one time or another. The bestowing of these properties was designed by tradition to lighten the load of the burdened underclassmen. This is finally and legally affirmed by the undersigned.

The Senior Class of 1962

THE M. C. THOMAS GYMNASIUM

Sports

Sports and physical education have always been a necessary part of a young man's life. Here at Fork Union we have the very best instructors and equipment to insure that we learn the right way. When we participate in various sporting activities we learn the importance of teamwork and being in top physical as well as mental condition. We are always proud of our teams for we know that they do the very best they can and that is all that you can ask of any individual whether he wins or loses. Another thing we learn is the value of good sportsmanship and this of course is something that is beneficial in every life no matter who he is or what he does. In every sport in which our school participates we are behind our team right down to the last second of each contest. In putting all that we have learned in sports to use we will become better men, physically, mentally and spiritually.

The reward of a thing well done,
is to have done it.
A day for toil, an hour for sport.

Ralph Waldo Emerson

Varsity Football

0 FISHBURNE MILITARY SCHOOL vs F. U. M. A. 40

The first game of the 1961 season started with a gallant success when F.U.M.A. subdued Fishburne 40-0. *John Canada* scored the first six points of the game with a sixty yard run early in the first quarter. *Tom Simmonite* successfully ran for the two point conversion. Later in the first quarter *Jerry Abbott* made a daring run from the twenty-five to the five yard line of Fishburne. Once again the touchdown was made by *John Canada*. It wasn't until the second half that F.U.M.A. fired itself again. The third touchdown was made by *Hampton Lazenby*, and the two extra points were chalked up when *Jerry Abbott* caught a pass over the line. F.U.M.A. scored again on a fumble by Fishburne later in the third quarter, when *Herb Moore* made a ten yard dash into the end zone. F.U.M.A. blocked an attempted kick by Fishburne early in the last quarter, and scored a two point safety. *Tom Simmonite* ran the ball to the 25 yard line of Fishburne. *Jerry Abbott* then received a long pass from *Fred Cobb* on the twenty to score. The final score of the game was accomplished by *Hampton Lazenby* when he returned a punt 60 yards to mark up six more for the Blue Devils. The Blue Devils of F.U.M.A. truly showed their potential spirit and skill by defeating Fishburne Military School 40-0.

Left to right: 9 of the 'Big Blue Team': 'Tim' Miller, *'Charlie'* Greco, *'Fred'* Cobb, *'Jerry'* Abbott, *'Larry'* Donahue, *'Ron'* Jackson, *'Bill'* Keith, *'John'* Pulcini, *'Mike'* Ciminella.

8 AUGUSTA MILITARY ACADEMY vs. F.U.M.A. 14

The Blue Devils of F.U.M.A. showed their skill and determination in scoring their second successive victory by soundly defeating Augusta Military Academy 14-8. Fork Union remained in control of the situation by possessing the pigskin throughout most of the game. The Blue Devils grabbed the lead early in the first quarter when *Fred Cobb* threw a blazing fifteen yard pass to *Jay Mills* over the line. The two point conversion by F.U.M.A. failed and the Blue Devils led 6-0. Fork Union remained in possession of the ball through most of the first and second quarters but was unable to score. It wasn't until late in the first half that *Tom Simmonite* tore away from the opposition and sprinted fourteen yards on an end run into the end zone to score again for F.U.M.A. By half time F.U.M.A. had concluded its scoring and proceeded to display its defensive ability by preventing Augusta from scoring throughout the entire quarter. It wasn't until the last minute of play in the fourth quarter that Augusta scored on a break away run. The conversion attempted by Augusta was successful and the game ended as thrilling as it had started with a score of 14-8. The most outstanding display of skill in line defense was shown by the guard, *Dan Nedwick*, and the most outstanding offensive player was *John Canada*. The defeat of Augusta gave the Blue Devils the start of a winning streak with two wins and no losses.

6 HARGRAVE MILITARY ACADEMY vs. F.U.M.A. 33

The cold, rainy Saturday afternoon soaked the Corps of Cadets as they watched the Blue Devils run over Hargrave Military Academy, 33-6. F.U.M.A. immediately showed who was the better team when they made their first score in the first five minutes of play. F.U.M.A. steadily advanced the pigskin to the six yard line of Hargrave. *Tom Simmonite* caught the ball and plowed the final six yards to score. F.U.M.A. once again drove deep into enemy territory during the later half of the first quarter. *Simmonite* again ran the ball from the eleven yard line of Hargrave to make touchdown number two. Because of the increasing precipitation both teams had trouble controlling the ball in the second quarter. It wasn't until early in the third quarter that the Blue Devils began to march. Our team was within five yards of pay dirt when *Simmonite* made an end run to make the score 20-0. Hargrave received the kick-off and kept up a sustained drive until they brought the ball to the one foot line of F.U.M.A. On the fourth down Hargrave plunged over the line for their only score. Hargrave tried once again to move in the last quarter, but their hopes were dashed when *Charley Greco* intercepted a Hargrave pass and dashed 61 yards for a touchdown. Hargrave fumbled on the kick-off and F.U.M.A. gained possession of the ball on the one yard line of H.M.A. *Cobb* took the snap and barreled over the line for the final touchdown of the game.

Left to right: Backfield Players: 'Skip' Mohr, *'Mike'* Ciminella, *'Don'* Lando, *'Jerry'* Powers, *'John'* Canada, *'Tom'* Simmonite, *'Kyle'* Lazenby, *'Dick'* Sykes.

A Fork Union 1st Team, Line, left to right: 'Jerry' Abbott, *'Tim'* Miller, *'Dennis'* Irey, *'John'* Thigpen, *'Danny'* Nedwick, *'Bill'* Keith, *'Bob'* Yencho; *Backfield, left to right: Coach 'Red'* Pulliam *(Head Football Coach), 'Tom'* Simmonite, *'Fred'* Cobb, *'Fritz'* Reuning, *'John'* Canada, *Coach 'John'* Lee.

14 GREENBRIER MILITARY SCHOOL vs. F.U.M.A. 8

On November 4th Fork Union traveled to Greenbrier Military School to play its fourth game and scored its first loss of the season. Although F.U.M.A. was favored to win the contest, Greenbrier sprang ahead in the first half to score two touchdowns. Fork Union was never able to recover from such a blow and only managed to retaliate with one touchdown in the third quarter. Although not able to produce the vital number of touchdowns for a win, Fork Union did lead in rushing and passing. In defense *Dan Nedwick* led Fork Union with nine tackles. *Ronnie Jackson* was also outstanding in defense with a total of seven tackles. *Fritz Reuning* led in total offense with 87 yards rushing and *John Canada* followed with 80. During the third quarter Fork Union started its only successful drive to regain their losing margin. The Blue Devils marched to within a few yards of the goal and *Skip Mohr* took the ball and skooted around left end for F.U.M.A.'s only score. F.U.M.A.'s successful winning streak was abruptly ended with its loss to Greenbrier Military School 14-8.

0 COLUMBIAN PREP vs. F.U.M.A. 14

After our stunning loss to Greenbrier, Fork Union became the underdog in their next contest with Columbian Prep. However, the Blue Devils made up for their mistakes of the preceding game by soundly defeating their top rated opponents, 14-0. The action of the game centered almost entirely with the Blue Devils. They showed their outstanding defensive spirit by remaining in control of the pigskin throughout most of the game. Although Fork Union handled the ball well during the first quarter the game remained scoreless. It wasn't until the second quarter that *John Canada* received a pass from *Fred Cobb* and fought off tacklers for 62 yards and a touchdown. Fork Union led by only six points at half time and Columbian Prep tried a spirited counter-attack during the third quarter. The superior defensive squad of F.U.M.A. spoiled all possible chances of the Columbian score, and insured their victory with another touchdown. The F.U.M.A. team started a strong drive and fought stubbornly to the Columbian twelve yard line. *Ronnie Jackson* took the ball on a quick open play and barreled up the middle for the remaining yardage. Fork Union further insured its hold on the victory when *Jerry Abbott* received a quick pass for the two-point conversion. The defense of F.U.M.A. held Columbian Prep at bay for the remainder of the game. Fork Union flashed back into the winning circle again when it brilliantly defeated Columbian Prep 14-0.

Halfbacks on Fork Union Teams: Left to right: 'Jerry' Powers, *'J. Carl'* Crosswhite, *'Kyle'* Lazenby, *'Dick'* Sykes.

A Fork Union Team, Line, left to right: 'George' Hope, *'Don'* Lando, *'Larry'* Donahue, *'John'* Thigpen, *'Len'* Amrhein, *'Jerry'* Powers, *'Lick'* Bragg; *Backfield, left to right: Coach 'Bob'* Buffman, *'Mike'* Chimenella, *'Bob'* Blanton, *'Herb'* Moore, *'Reb'* Sykes, *Coach 'John'* Lee.

7 WASHINGTON & LEE FRESHMEN vs. F.U.M.A. 28

Fork Union showed excellent form when it soundly defeated the Freshmen of Washington & Lee 28-7. F.U.M.A. sprinted ahead in the first four minutes of play with a touchdown, which was almost immediately followed by another to push F.U.M.A. into a decisive lead in the first quarter. The Blue Devils built upon the momentum of their first scores to carry them safely through the game. The game was played in a light rain which seemed to hamper the passing of Washington & Lee. If the rain was any menace to *Fred Cobb*, the Quarterback of Fork Union, it was hardly noticed because he completed 8 out of 17 passes for a phenomenal passing total of 138 yards. Perhaps the most outstanding pass of the game was a 28 yard toss from *Fred Cobb* to *Jerry Abbott* for a score. *John Canada* and *Fritz Reuning* were also outstanding in rushing. Both made tremendous yardage on the ground and both scored touchdowns in the second and third quarters respectively. The game was almost completely insured in F.U.M.A.'s favor in the fourth quarter when Washington & Lee scored their first and only touchdown. Bill David of Washington & Lee fired a pass to Sammy Simpson over the line for the score. The excellent defense of Fork Union combined with the passing markmanship of *Fred Cobb* and rushing powers of *John Canada* and *Fritz Reuning* helped to push the F.U.M.A. team to a stunning victory over the Freshmen of Washington & Lee, 28-7.

18 STAUNTON MILITARY ACADEMY vs. F.U.M.A. 0

The cold rainy day at Staunton Military Academy served as an appropriate atmosphere for the second and most harmful loss for the Blue Devils. Staunton, with its iron clad defense, managed to hold Fork Union at bay, while they capitalized heavily on F.U.M.A. mistakes. The first score of the game appeared on the first offensive move by F.U.M.A. Staunton kicked the pigskin to the eleven yard line of Fork Union. On the next play '*Fred*' *Cobb*, the Blue Devil quarterback, fumbled the ball and John Sheehy recovered in the end zone for a touchdown. After Staunton had capitalized on a mistake of F.U.M.A. its defensive spirit came into the game and managed to curb the offensive powers of Fork Union. Very late in the second quarter F.U.M.A. was penalized for clipping and S.M.A. gained control of the ball deep in Fork Union territory. Because of the rapidly approaching halftime S.M.A. was forced to attempt a field goal, the attempt was successful, and S.M.A. led 10—0 at the half. The third quarter was scoreless, but S.M.A. took advantage of it to set up their final touchdown. By the end of the third quarter S.M.A. had nearly completed their final big drive of the game and by the beginning of the fourth quarter Berhardo of S.M.A. pounded across the goal for the final score of the game. S.M.A. held F.U.M.A. at bay for the remainder of the last quarter and by the end of the fourth quarter the score stood 18—0. Staunton captured the Virginia Military School League Championship.

TRIBUTE TO THE BIG BLUE DEVILS OF 1961

We, the staff of the *Skirmisher*, wish to express our thanks to all the 1961 Big Blue Devils and their Coaches for giving us a good team this year. It is true we didn't win them all but it was good clean fun enjoyed by all. We speak for the *Corps of Cadets* when we say, "We respect the fine example set by the team of high standards, clean, fair play, and good sportsmanship both on and off the field." We want to thank the Coaching Staff for their good work in putting together a good team made up of players from all parts of the country. We want to say a word of praise for those who made the All State team, namely *Mr. Abbott* and *Mr. Keith*, and wish them well in their future career. Also to those who where placed on the All State second team, namely *Mr. Cobb*, *Mr. Irey*, and *Mr. Reuning*, and wish for them success in the future. We also want to go on record and say to our beloved *Coach 'Red' Pulliam*—CONGRATULATIONS on doing a fine job and we will always be with you in your future success in putting out the traditionally superior teams of F.U.M.A.

0 FISHBURNE MILITARY SCHOOL J.V. vs. F.U.M.A. J.V. 48

Fork Union J.V. team played its first game of the season Tuesday afternoon, Oct. 3rd, at Fishburne. Fork Union breezed to a 48—0 Victory. The little Blue Devils lost no time in scoring after they gained possession of the ball, marching from their own 45 to six points in just one play. *'Peck' Price* scored the first T.D. of the game. *Bill Wallace* went across for the conversion. Fishburne once again had the ball for only a short interval. Losing the ball on their own 20, F.U.M.A. recovered, and once again scored. *Bill Jones*, making the T.D., also racked up the conversion. *Jones* successfully scored three more T.D.'s, with *Hatchell*, *Wallace*, and *Price* smashing the conversions. On the last play of the 2nd quarter, *Hatchell* set up another T.D. by plunging 25 yards, resting the score at halftime 35-0. Coming back just as bloodthirsty as ever, F.U.M.A. stole the ball from the weakening Fishburne J.V. *Wallace* received the ball and with little effort went around left end on a rollout play, racking up another T.D. *Wallace* also made the conversion. Late in the last quarter, *Wallace* went over once again to wrap up the score 48—0. On ground, F.U.M.A. totaled approximately 320 yards, with top ground gainers being *'Bill' Wallace* and *'Bill' Jones*. In the passing department, approximately 52 yards were gained. *Wallace* completed 2 out of three to Umstead and 1 out of 1 to *Godsey*.

0 AUGUSTA MILITARY ACADEMY J.V. vs. F.U.M.A. J.V. 34

With the first game a victory over Fishburne Military School, our Young Blue Devils wanted their second victory. On October 10th the squad met head-on with Augusta Military School. F.U.M.A.'s first score came when *'Tank' Lazure* plunged over the goal line after a 20 yard run. *'Bill' Jones* made the extra point. *Jones* made the next T.D., with *Wallace* right behind with the extra point. At the end of the first half the score was 14 to 0 in our favor. In the locker room the squad realized that it was going to take more to win this game. When they returned to the field, they were ready to fight, and they did. In the second half, F.U.M.A. added three more T.D.'s to the game. During the middle of the third quarter *Wallace* passed to *'Dave' Umstead*, for a 25 yard T.D., with *Jones* making the extra point. Another T.D. came when *'Buddy' Hatchell* broke through the Augusta stronghold and running 30 yards for a T.D. *Lazure* made the conversion. In the remaining minutes of the last quarter, a 20 yard pass from *Wallace* to *Jones* racked up the last and final touchdown of the game. The final score was Fork Union 34, Augusta 0. Our Young Blue Devils and their new coaching staff are looking forward to a promising year, and they are looking forward to the championship.

25 WOODBERRY FOREST SCHOOL J.V. vs. F.U.M.A. J.V. 13

The Junior Blue Devils took the field for their third game which was against the Orangemen from Woodberry Forest. On the opening kick-off, Woodberry received, and in the ensuing downs moved the ball into F.U.M.A. territory. Fork Union held the Woodberry Forest team to very few yards the first half, but the Orangemen took advantage of some fumbles and converted them into touchdowns. When the Blue Devils took the field in the second half, the score stood 25—0. Through some good passing, *Jones*, *Wallace*, *Ryder*, and *Umstead* forged down the field for two touchdowns and an extra point. It now looked as if Fork Union was ready to take over the ball game, but although the passing attack continued, and the Blues went deep into Woodberry territory, the threats were stopped by penalties against Fork Union. At the final whistle, the score stood 25-13.

12 STAUNTON MILITARY ACADEMY J.V. vs. F.U.M.A. J.V. 25

Being defeated by Woodberry Forest the week before, our upcoming J.V.'s didn't want to lose another game. The victory was no easy task, but the squad beat the Junior Hilltoppers 25 to 12. The linemen with their constant hard hitting, are credited with the victory. The Staunton defense was no match for the outstanding blocking of the Fork Union line. Not only did the line give a fine performance of offensive play, they also showed superiority in defense. The continual plunging held back the enemies score and forced Staunton to kick the ball. Staunton's morale was lowered when *Bill Jones* scored early in the first quarter on a 65 yard sprint, but Stanuton with some fight left, came back up the field to make their first score in the second quarter. Fork Union sent their dynamic offensive unit back in to get revenge and they got it, when *Bill Wallace* scampered around right end on a 47 yard run to make Fork Union's second score. Fork Union's third score came when *'Bud' Hatchell* drove over the 6 yard line. Staunton was allowed to score once more during the game. The outstanding linemen of the game were the team's two top offensive guards, *Ed Smith* and *Allen Howell*, both boys love the rough position they play, and they do a fine job of it.

7 GREENBRIER MILITARY SCHOOL J.V. vs. F.U.M.A. J.V. 20

With a good record behind them, the J.V.'s met Greenbrier Military School, hoping they would be able to hold their heads a little higher, when the gun went off. The game opened with F.U.M.A. kicking off. The opponents pushed their way up the field with every play they ran, finally scoring. Then our squad took possession of the ball; trying desperately to score, but failed. There wasn't anymore scoring to be done by either team in the first half, leaving the score standing at the end of the half 7 to 0, favor of Greenbrier. The opening of the second half F.U.M.A. received with the spirit and the fight that would have knocked any brick wall over. They marched straight up the field, first down after first down, with *'Al' Lazure* going over for the score. The two-point conversion was made, making the score 8 to 7. From then on it was our Young Blue Devils all the way. They marched on with the victory, the final score being 20 to 7. The scoring was done by *'Al' Lazure*, *'Bill' Jones* and *'Bill' Wallace*, scoring on a beautiful 70 yard run, *Harris* making an excellent block that carved the way for *Wallace*. Although *'Bud' Hatchell* didn't score, his performance in gaining yardage paved the way for the successive scores. This win assured the J.V. Blue Devils of the Championship of the J.V. Military League.

19 APPOMATTOX HIGH SCHOOL vs. F.U.M.A. J.V. 19

Friday night November 3rd, Fork Union J.V. played Appomattox Varsity at their Home Comming. At eight o'clock the game was underway with Fork Union kicking off. Appomattox squad returned the ball for only a short distance and was unable to score. Fork Union took possession, and they too couldn't score, as the ball changed from hand to hand and the final score in the first quarter was 0 to 0. During the 2nd quarter, Fork Union, scored with a beautiful 55 yard pass from *Wallace* to *Jones*. Appomattox Rebels in turn marched the ball over the goal line on some fine pass plays. The score at the end of the 1st half was 7—6 favor of Appomattox. The second half also showed that the two teams were evenly matched. On the kick off *Hatchell* returned the ball for 82 yards, with fine blocking, to the 3rd yard line. *'Bill' Wallace* went over for the score. Appomattox came back once again and scored, then it was Fork Union's turn to score with *Lazure* going over from the 10. The final score was 19—19 and Fork Union's record stands as four wins, one loss, one tie.

28 COLLEGIATE COUNTRY DAY SCHOOL vs. F.U.M.A. J.V. 0

On the opening kick-off Collegiate received the ball and ran to their 40-yard line. Then the underrated Collegiate team marched to the F.U.M.A. goal for the first touchdown and then the extra point. Three times more the Collegiate eleven, with possession of the football, forged their way through the Blue Devil's line to the goal, and again they made the conversions making the score 28 to 0. *Jones*, *Hatchell*, *Wallace* and *Lazure*, the backs, battered the line for yardage. Valiantly Fork Union fought back, but as penalties and injuries took their disastrous toll, the little Blue Devils lost the ball. The line tried hard to stop the furious Collegiate rush, but the Fork Union backfield were the defensive stars. They stopped the end sweeps, the roll-outs, and the pitch-outs, they crushed their opponents aerial attack by allowing one pass completion, and *Ryder* stopped another touchdown with a pass interception in the final period.

Archery Team

The king of sports today is archery. According to the National Association of Sporting Goods Dealers, it is also the fastest growing sport in the nation. Those who already know the thrill of releasing an arrow to watch it speed with terrific force deep into a target understand the reason for such popularity. The challenge it offers as a skill and in bow hunting makes it an ideal sport for everyone. The sport of bow hunting has been accepted by sportsmen all over the country and has certainly earned the title, "*A Sportsman's Sport*".

Due to the many types of shooting offered by archery it has appeal to all ages. Archery not only gets you out into the woods and fields, but it is in the great American Tradition of clean competition.

Archery clubs meet a growing demand for fellowship, competitiveness, handicraft and sportsmanship. In the winter evenings the construction of arrows, quivers, gloves, and etc. gives one a sense of pride and accomplishment. Spring target work tightens slack muscles, whets competitive appetites and speeds the archer toward the fall testing period when he pits his skill against the cunning of a wild animal. Indeed archery is the king of sports.

Acknowledgments

We, the members of the 1962 *Skirmisher* Staff, have enjoyed working on this year's school annual. This book could not have been published except for the hard work on our part and the willing cooperation that we have received from the many fine people who have worked with us. The Staff wishes to thank sincerely:

Mr. Irvin I. Silvers and The Garamond Press of Baltimore, Maryland, for the excellent printing, engraving and binding of our 1962 Skirmisher.

Mr. and Mrs. A. A. McClung and the André Studio of Lexington, Virginia, for most of our fine pictures.

Colonel Frank A. Crockett, Major Irving A. Howell, Major James W. Pendergrass, Mrs. Ellen B. Stevens and Mrs. Robert M. Ivins for their kind help and cooperation.

To Captain H. F. Reichenbach and Captain C. F. Hoffman, our Advisors, we wish to express our special thanks for their time, energy and hard work in helping us publish this fine book.
